- Take comfort in knowing you can access part of your death benefit if you're diagnosed with a terminal illness when you use our **Accelerated Death Benefit Rider<sup>#5</sup>** – available for no additional premium!

<sup>#1</sup> Coverage ranges will depend on whether the applicant qualifies for either Simplified Issue (Form Series 211311), Graded Death Benefit (Form Series 211312), or Guaranteed Issue (Form Series 221309) – speak with your Royal Neighbors agent for more details.

<sup>#2</sup> Charitable Giving Rider (Form Series 221113). At time of claim, an additional 1% on top of face amount, up to a maximum of \$1,000, goes to the 501(c)(3) charity of owner's choice. Rider will terminate if the base certificate goes into extended term insurance (ETI). The certificate Owner has the right to change the charity until the death of the insured. On assignment, the designation of the charity becomes irrevocable. No additional premium required.

<sup>#3</sup> Grandchild Rider (Form Series 221081). The Beneficiary of this rider is the insured of the life certificate to which the rider is attached. This rider terminates either upon the request of the insured or when the base certificate terminates or is paid. The rider must be added prior to issuance of the base certificate or at the time of reinstatement. Rider is convertible to permanent coverage for the Grandchild at any time before the base certificate expires, is terminated, or before the death of the insured. An additional premium is required for this rider.

<sup>#4</sup> Accidental Death Benefit Rider (Form Series 222140). This rider expires on the anniversary in which the insured reaches age 80. The rider must be added prior to issuance of the base certificate or at the time of reinstatement. An additional premium is required for this rider.

<sup>#5</sup> Accelerated Death Benefit Rider (Form Series 221203). Receipt of acceleration of life insurance death benefits may be taxable and may affect the eligibility for public assistance for the Owner, the Owner's spouse's, or the Owner's family. Consult your tax professional or social services agency for details. Not available on Guaranteed Issue (Form Series 221309), the benefits are not assignable, and the rider must be added prior to issuance of the certificate or at the time of reinstatement. Only available on certificates with a face amount of \$7,000 or higher. No additional premium required.

This is not a funeral or burial contract, and does not specifically cover funeral goods and services. The death benefit is paid to the designated beneficiary(s) who may use the proceeds for any purpose. This life insurance does not guarantee that the proceeds will be sufficient to pay for any particular goods or services, nor that those goods or services will be provided by any particular provider.
